

Communication Strategies

Course #: PD-104 **Duration:** 1 day

Prerequisites

None

Details

In the fast-paced business world, effective communication is the key to success. This one-day intensive course provides a comprehensive look into the many facets of communication, ranging from non-verbal and verbal skills, to advanced communication techniques and digital communication. Through a blend of theoretical and practical approaches, the course empowers participants to express their ideas clearly, handle difficult conversations, overcome communication barriers, and effectively communicate in the digital era. Participants will also have the chance to develop and implement a communication strategy by the end of the course.

Software Needed

None
